 - 2 FTE Insurance Financial Analyst IVs
 - 1 FTE Analyst III
- 2 FTE Fraud Investigators
- 1 Marketing Specialist III FTE
- Various ASF Authority Increases
 - Personnel Budget
 - Travel Budget

Accreditation Report

- **“Delaware’s salaries for its analysis staff (both analysts and analysis supervisors) fall below the suggested salary ranges in the NAIC Financial Analysis Handbook and this has heightened the difficulty the Department has had in attracting and retaining analysis staff. It appears that the Department needs additional financial analysts, and especially additional financial analysis supervisors, to be able to continue to consistently perform the various tasks assigned to them commensurate with the size and complexity of Delaware’s domestic insurance industry.”**

Vacancies

- Fraud – Investigator II, Vacant as of 11/03/2025: In the hiring process
- Fraud – Investigator II, Vacant as of 01/23/2026: In the hiring process
