## Office of Gun Violence Prevention and Community Safety

The Office is the point of contact for community-based organizations, municipalities, and counties in the fight against gun violence and leads coordination efforts of existing programs.

### Vision and Goals:

- Reduce shootings, violent actions and trauma as it relates to guns (including suicide)
- Promote gun owners to act responsibly
- Make Delaware a safer place for all families by building stronger state-community partnerships
- Promote data sharing and collaboration, develop common sense gun related policies, and support the development of trauma informed, evidence-based violence intervention programs.

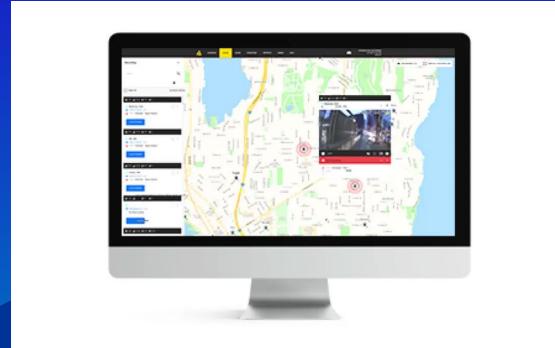

# Performance Measures FY 2027

- Enhance the quality of life for all Delaware residents and visitors by providing professional, competent and compassionate law enforcement services, in part by responding to approximately 378,610 calls for service annually.
- Prepare for and respond to natural and man-made catastrophes, ensure federal and state mandates for services are accomplished and assist communities in planning to become disaster resistant by providing over 18 outreach programs.
- Ensure reliable and effective statewide emergency communications capability by supporting and maintaining the statewide 800 MHz, and conventional radio systems.
- Protect the health of residents and youth by enforcing state and federal statutes on the prohibition of the sale of alcohol and tobacco to minors by monitoring the 1,346 tobacco and 1,293 alcohol retailers statewide.
- Improve highway safety by supporting enforcement and providing public awareness programs and educational efforts to increase seatbelt use, and reduce impaired driving, distracted driving, pedestrian crashes and fatal crashes, through the administration and oversight of a combination of federal grants totaling approximately \$6.9 million with approximately 50 subgrantees.
