* General Assemblies begin the day after a general election and end the next general election. We have defined the 2nd session as beginning on the day after the State would have a general election if held in an odd year. For this data, the "2nd session" would be 11/5/2025 to 11/3/2026. This includes any legislation introduced in special or extraordinary sessions in this period.
† In past reports, a substitute to a bill counted as its own bill. For this report and for future Legislative Statistics reports, the number of bills is the number of unsubstituted bills. For example, 1 bill with 2 substitutes would count as 1 bill.
‡ In this report, an amendment to an amendment counts as its own piece of legislation. For example, House Amendment 1 to a bill and an amendment to House Amendment 1 would count as 2 amendments.
§ Rounded to the nearest whole number.
** The Governor vetoed House Substitute 1 for House Bill 329, House Bill 393, Senate Bill 231, and Senate Bill 279.
