

This map illustrates the street layout of the City of Lenoir, North Carolina. The city's boundary is defined by a thick black line. Major thoroughfares are highlighted in yellow, including US-158 (Main St), US-421 (Carter Ave), and various state and county roads. The map is densely populated with street names, ranging from Allabands Mill Rd in the northwest to Peachtree Run Blvd in the south. Key geographical features include Lake Front, several smaller ponds, and a large body of water in the northeast. The map also shows the locations of major highways and their intersections within the city limits.
