SYNOPSIS

This Amendment makes two changes to House Substitute No. 1 to House Bill No. 180 as amended by House Amendment No. 3. It changes the requirement of providing identity theft prevention or, as applicable, mitigation services in the event of a breach involving a social security number to a requirement to provide credit monitoring services in the event of such a breach. It also changes the effective date of the legislation from 120 to 240 days to allow additional time for businesses to comply with the notification requirements.
